

PHSO Scheme of Delegation - Casework matters

1. Introduction

- 1.1 The Parliamentary and Health Service Ombudsman (the Ombudsman) combines the two statutory roles of Parliamentary Commissioner for Administration (the Parliamentary Ombudsman) and Health Service Commissioner for England (Health Service Ombudsman), whose powers are set out in the Parliamentary Commissioner Act 1967 and the Health Service Commissioners Act 1993 respectively.
- 1.2 The Ombudsman's role is to investigate complaints that individuals have been treated unfairly or have received poor service from government departments and other public organisations and the NHS in England.
- 1.3 This scheme of delegation (the Scheme) sets out how the Ombudsman delegates his or her powers and functions as set out by s.3(2) of the Parliamentary Commissioner Act 1967 and para.12 of Schedule 1 to the Health Service Commissioners Act 1993 as they relate to casework.
- 1.4 The Scheme sets out:
 - Those powers and decisions reserved only to the Ombudsman with regard to carrying out casework;
 - Those powers and decisions which the Ombudsman has delegated only to the Chief Executive, the Director of Operations, Legal and Clinical, and the Director of Strategy (Deputy Ombuds);
 - Those powers and decisions which the Ombudsman has delegated only to the following:
 - Chief Executive
 - Director of Operations, Legal and Clinical;
 - Director of Strategy;
 - Assistant Directors in Operations.
 - All remaining powers and decisions delegated to the following where appropriate:
 - Operations Managers (including the Head of the Ombudsman Assurance Team);
 - Intake Operations Managers;
 - Senior Caseworkers (accredited and non-accredited);
 - Caseworkers; and
 - Intake Caseworkers.

- 1.5 All Senior Caseworkers go through an accreditation process which is reviewed periodically. A Senior Caseworker who passes this process is given a higher level of delegated authority under this Scheme which they retain for as long as they remain accredited.
- 1.6 This Scheme document specifically references when authority is given only to Senior Caseworkers who are accredited. All other references to Senior Caseworkers within the Scheme apply to both accredited and non-accredited members of staff.
- 1.7 The Executive, under the direction of the Chief Executive, remains responsible for the day-to-day administration of the Office's affairs and nothing in the Scheme applies to any decision which is administrative in nature that relates to how the Ombudsman's office carries out casework.
- 1.8 The making of these delegations for the performance of the Ombudsman's functions shall not prevent the Ombudsman from exercising those functions personally.
- 1.9 All delegated powers and decisions must be exercised in accordance with the Ombudsman's Service Model and its supporting Policy and Guidance and any other guidance issued to staff. Any of the delegated powers and decisions given in the Scheme may be withdrawn by the Ombudsman on a permanent or temporary basis, or amended at any time without prior notice.
- 1.10 The Ombudsman designates, for the purposes of casework, the Chief Executive, the Director of Operations, Legal and Clinical, and the Director of Strategy as Deputy Ombuds.
- 1.11 The Deputy Ombuds may withdraw relevant delegated powers and decisions from any individual member of staff on a permanent or temporary basis with regard to their specific role at that time. When doing so, the relevant Officer making that decision will notify the individual member of staff in writing.
- 1.12 Members of staff who are temporarily promoted into any of the relevant roles listed in the Scheme will take on the delegated authority applicable to the role only for the remainder of their period of temporary promotion.
- 1.13 All delegated authorities listed in the Scheme are assigned to specific roles only and are not transferrable. Each individual member of staff will become eligible to carry out the specified delegated authority upon commencement of their appointment to that role. Any member of staff who moves to another role within the Office will relinquish all delegated authority given to them in their previous role upon leaving that post.
- 1.14 Notification of any changes to the Scheme will be made and circulated in writing.

- 2. General powers and decisions reserved only to the Ombudsman with regard to carrying out casework**
 - 2.1 The power to disclose information for the purposes of proceedings for an offence under the Official Secrets Act or for an offence of perjury alleged to have been committed in the course of an investigation.
 - 2.2 Decisions to lay reports before Parliament.
 - 2.3 The administering of oaths or affirmations (and the examination of witnesses abroad).
- 3. General powers and decisions delegated only to the Deputy Ombuds**
 - 3.1 The decision to carry out a new investigation following an upheld review of a closed investigation.
- 4. General powers and decisions delegated only to the Deputy Ombuds and Assistant Directors in Operations**
 - 4.1 Decisions to consider or exercise powers in relation to obstruction of an investigation (including the release of information for those purposes) or where documents or other evidence have been required from but not provided by individuals or bodies.
 - 4.2 The power to pay expenses or fees to a mediator.
 - 4.3 The power to pay fees and allowances to advisers or persons supplying information for the purposes of an investigation.
 - 4.4 The power (as given in the Health Service Commissioners Act 1993) to disclose information in the interests of health and safety to patients.
 - 4.5 Decisions to disclose information obtained during the course of an investigation other than for reasons set out in s.15 of the Health Services Commissioners Act 1993 and s.11 of the Parliamentary Commissioner Act 1967.
 - 4.6 The power to limit or remove the delegated authority given by the Ombudsman to individual Caseworkers for a specified period or in specific circumstances.
- 5. Delegations to external persons**
 - 5.1 In the interests of effective complaint handling, there may be times when it is better for another Ombudsman service to undertake activity on behalf of the Ombudsman. In such cases, the Ombudsman will write and make reference to this provision and as such authorise and delegate to that Ombudsman all the powers in sections 4 and 6.
 - 5.2 In relation to the Joint Working Initiative a supplementary delegation scheme is set out at annex A.

All Remaining powers and decisions delegated to staff where appropriate

- 6.1 The following delegations are classified by action or decision type. The following table illustrates the relevant powers and decisions delegated to staff in accordance with our ‘three step’ casework process.
- 6.2 All of the powers and decisions referred to below are delegated as a matter of course to the Chief Executive, the Director of Operations, Legal and Clinical and the Director of Strategy as Deputy Ombuds.

Annex A - PHSO Scheme of Delegation - joint working cases

- This document supplements the main PHSO Scheme of Delegation and explains how the Ombudsman delegates his powers in respect of decision-making on joint working cases. It should be read in conjunction with the main Scheme document, which explains the background to the Scheme, information about its administration and how general and specific powers are delegated.
- The main Scheme takes precedence over this supplement and reference should be made to it if there is uncertainty about the approval of specific actions or decisions.
- Joint working covers investigations carried out jointly with the Parliamentary Ombudsman, the Health Services Ombudsman, the Local Government Ombudsman or the Public Services Ombudsman for Wales.
- The Ombudsman gives a general delegated authority to the staff listed in this supplement to publish anonymised case information about joint working cases.
- These delegations apply to all staff in joint working teams dealing with joint working cases, regardless of which Ombudsman's office they are actually employed by.

The following delegations are classified by action or decision type. The table overleaf illustrates the relevant powers and decisions delegated to staff in accordance with our 'three step' casework process. All of the powers and decisions referred to overleaf are delegated as a matter of course to the Chief Executive, the Director of Operations, Legal and Clinical and the Director of Strategy as Deputy Ombuds.
